INCEPTION OF PLACEMENT CELL

A prestigious university in the state, Rajasthan Technical University is located in Kota (Rajasthan). As a government-funded institution, it was founded in 1981 to advance the technical education of the state. RTU has received AICTE approval and is known for the past 40 years for its scholarly and intellectual renown. RTU currently offers 12 postgraduate and 11 undergraduate degree courses for MBA, Ph.D., M.S., and B. Tech programmes.

MANAGEMENT COMMUNIQUE

Prof. SK Singh
Vice Chancellor

Welcome to Rajasthan Technical University in Kota, Rajasthan, which is the leading force in shaping the mechanical education landscape of the state. The university has 95 affiliated government and private institutes under its umbrella, making it a comprehensive educational network. The university department is an integral part of the institute, benefiting from all the institutes and facilities provided by the parent university. The institute prides itself on its commitment to excellence and innovation in education, which is achieved through a blend of practical and theoretical learning.

Prof. Manish Chaturvedi
Training & Placement
Officer

The Department of Training and Placement at RTU warmly invites you to come to our campus and engage with our students. We strive to empower our students to reach their full potential and excel in their chosen fields, while also providing assistance employers and other stakeholders in the technical industry.

Prof. DK Birla
Dean (Faculty Affairs)

Our institution proudly stands as a prominent center for technical education in the state, dedicated to contributing to societal and national progress. The Training and Placement Department is committed to exploring promising career opportunities for our students and acts as a crucial link between them and potential employers. We would be pleased to invite your esteemed organization to our campus for recruitment purposes and look forward to the opportunity of facilitating the placement of our capable and well-prepared students in your company.
